Indoor Services: What to Expect

- If you are an at-risk person or are exhibiting signs of illness, please stay home and join us online for the service!
- If you have been vaccinated, masks are not required. If you have not been vaccinated, we urge you to wear a mask for your own protection.
- Children are welcome in our Sunday worship! We ask that children stay with their parents through the duration of service. Children's Ministry will provide activity booklets and quiet toys at the cart in the foyer to take with them into the sanctuary.
- Social distancing is now optional and not required.
- We are currently dropping offerings into baskets at the altar rather than passing the baskets.
- Disposable masks are available in the lobby for those who do not have one.
- Hand sanitizer is available in the lobby.

We hope to see you in person or online this Sunday!
